Case No.: 1:18-OP-45776

AMENDED TRACK ELEVEN CASE MANAGEMENT ORDER
FOR SANTA FE COUNTY, NEW MEXICO

On April 9, 2021, the Court entered an order identifying five additional bellwether cases against the Pharmacy Defendants, including *County of Durham, North Carolina v. Purdue Pharma L.P., et al.*, Case No. 1:18-OP-45776. Doc. #3688. The Court directed the Parties to meet and confer with Special Master Cohen regarding proposed case management schedules for each case.¹ The Santa Fe case is designated as “Track 11” or “CT11.” Santa Fe County and the Pharmacy Defendants named in the operative Amended Complaint (Doc. #3740) each submitted proposed CMOs for CT11. On May 2, 2022, the Parties submitted a Joint Motion to Amend the Case Management Order for Tracks Seven, Eight, Nine, Ten, and Eleven. The Court has reviewed the Parties’ Joint Motion and hereby amends Case Management Order as follows. The provisions of the August 10, 2021 Track Eleven Case Management Order for Santa Fe County, New Mexico that are not amended below remain unchanged.

A. Fact Discovery

1. **November 29, 2022** – Document production by all parties will be substantially complete. Document production leading up to this deadline should occur on a rolling basis.
2. **December 31 2022** – Deadline to serve third party subpoenas.

¹ The proposed schedule was prepared at the direction of the Court and Special Master Cohen. The Pharmacy Defendants complied with Special Master Cohen’s direction as to the timing of discovery for Tracks 7-11, but continue to preserve all objections as to the sequencing, timing and scope of discovery for the bellwether case designated as Tracks 7-11 and further reserve their right to seek extensions of the proposed schedule, as needed.

3. **January 30, 2023** – Deadline for production of electronic notes and due diligence. The production of hard copy prescriptions shall be substantially complete.
4. **January 31, 2023** – Close of party fact discovery.
5. **February 14, 2023** – Close of third-party discovery.

B. Expert Discovery Deadlines

1. **Tuesday, March 14, 2023** – Except for expert witnesses who will testify *only* in the abatement-phase of the Track 11 trial, Plaintiff shall serve expert reports and, for each expert, provide two proposed deposition dates between **Friday, March 31, 2023 – Friday, April 14, 2023**.
2. **Frodau, April 28, 2023** – Except for expert witnesses who will testify *only* in the abatement-phase of the Track 11 trial, Defendants shall serve expert reports and, for each expert, provide two proposed deposition dates between **Monday, May 15, 2023 – Monday, May 29, 2023**.
3. Defendants believe that Plaintiff should be required to produce its abatement plan and all expert reports relating to abatement issues during fact discovery. The Court has denied that request in connection with its issuance of the Track 7 CMO. Pursuant to the direction of the Special Master, Defendants are not re-raising the issue in this submission, but reserve all rights to seek detailed discovery pertaining to abatement during fact discovery.
